

# MEMORANDUM

**To:** Dr John Wakefield - A/Director of Medical Services  
**From:** Dr Pitre Anderson - Director of Surgery **Contact No:** (07) 4150 2220  
**Subject:** Private Practice

Dear John,

I am writing to let you know that I am in the process of rescheduling my Private Clinic so that it will take place after business hours. I don't plan to resign imminently but I will make some proposals to establish a VMO position for me to take up when and if it is arranged. I have had some discussion with Charles and it appears that we need to recruit another staff surgeon to cope with the workload and probably this surgeon should have a vascular interest so he can take over Dr Thiele's activity when he retires. We will need to sit down and talk about these issues in due course.

Kind regards

A handwritten signature in black ink, appearing to read 'Pitre Anderson'.
